

Things you can do to prevent infringement on personal rights regarding Covid-19 Virus

- ◎ Do not blame infected person (It is not the fault of infected person)
- ◎ Do not blame work place or family (Everyone is prone to contract)
- ◎ Prevent groundless rumor (Do not spread incorrect and uncertain information recklessly)

It is the New Corona Virus we want to overcome.

Let us aim for the society with correct understanding and compassion and regain safe and stable living.

We are the ones who can prevent discrimination and prejudice.
